

MINING LIGHTS

KOEHLER - CORDLESS CAP LAMP
LED CORDLESS MINING HELMET LIGHT.

Introducing the new Cordless Cap Lamp from Koehler. As far as we know, this is the lightest and brightest cordless mining lamp around.

The Cap Lamp features Bright Star's unique eye-guard technology, which protects against glare and eye discomfort associated with many bright LED head torches. This Cordless Cap Lamp has a waterproof and dustproof IP66 (pending approval) case, which is made from a durable polycarbonate material.

MSHA and ATEX Approved
(pending approval)

IP66 Water and Dustproof Case
(pending approval)

LED Charge Status Indication
Red – Indicated When Normal Charging Operation is in Progress
Green – Indicates Fully Charged

Automatic Low Cell Power Detection and Indication
Switches to 25% Brightness Setting Upon Detecting Low Cell Charge

Charges From Koehler Rack and Single Unit Chargers
(No New Charging Infrastructure Required)

Product Specification

Power Source	Replaceable 2600mAh Li Cell
Light Source	Luxeon 'Rebel' LED
LED Life	50,000hrs
Total Light Output	35 Lumens
Peak Beam Intensity	3700 Candelas
Beam Distance	122m
High Setting Run Time	13hrs
Low Setting Run Time	50hrs
Charging	<6hrs
Weight	133g/4.7oz
Dimensions	3.4in x 2.4in x 2.7in/86.4mm x 61mm x 68.6mm
Operating Temperature	-20°C - 60°C
