

## BYNOYLT BINOCULAR

**MODEL      SEARANGER II, 7x50 with COMPASS**

### **Description**

A high specification, fully waterproof binocular with compass. The perfect maritime companion offered in a stylish design with a non-slip rubber housing. The combination of binoculars, integrated illuminated compass and built-in height/distance scale makes this instrument a superb aid to navigation. The SeaRanger floats and comes complete with bright yellow floating belt/strap, making it easy to retrieve in dark seas.

The Searanger II was selected and has been in use with the **RNLI** for over 5 years.
